

How can FedEx Credits help you pay for the 2009-2010 Toronto Cruise Music Trip?

» Each Student, Family Member or Friend that works the FedEx field booths will earn 1 credit for their Music Student (EXAMPLE...a family of 4 volunteers works 3 events...you've earned 12 credits).

HERE'S HOW IT WORKS?

- » Each Credit is Valued at **\$50*** toward the Good Counsel Music trip
- » The Music Trip is expected to cost between \$650 per student and \$550 per chaperone

**\$45 is an estimate, actual value may be greater based on total concession sales.*

So...who wants to minimize your cost for the trip by working the FedEx Field events? We show you how to do it below. **The more credits you earn, the less cash you have to pay.**
